A Crash Course in Japanese Anime. James Gates. Updated: 30 July 2017. Share this article: A Japanese cultural institution since 1917, anime is now a global phenomenon. But with a dizzying array of titles and genres to choose from, where on earth should you begin? Fear not, our handy guide will help you find your way. To keep things simple, we've focussed on the main genres, with established titles in each genre but also some lesser-known examples for people who feel like digging a little ...
