State agencies don't want children to remain in foster care indefinitely, so foster care is temporary. The agency wants to repair the problems that existed in the child's home or with his parents that resulted in him being removed from them.

The Differences Between Foster Care and Adoption

Children in foster care have often experienced multiple adverse childhood experiences, including maltreatment and the rupture of attachment bonds.

Mental Disorders in Foster Children: A Study of Prevalence, Comorbidity

PDF | We used a regional sample of children in long-term foster care to investigate the prevalence of placement breakdown in adolescence, and to assess risk factors/risk markers for placement ...
