

**in folis folia volume pdf**

The purpose of this page is to make it easy for printing the entire listing of composers (so no fancy colors here but only black letters, and hyperlinks are just underlined to distinguish them easily in printed form), or to search a particular word or phrase in the browser (in the menu-browser: edit, search).

**Which versions of La Folia have been written down, transcribed or recorded?**

Le phénomène le plus caractéristique des TIC est le brouillage des frontières entre télécommunications, informatique et audiovisuel/ multimédias.
