Center for International Rehabilitation Research Information & Exchange

3 a socially constructed and scientifically invalid system of biological categories is insufficient but necessary for undermining contemporary institutional racism.]

RACE Project Bibliography

Contains the electronic versions of 80 books previously published in hard copy as part of the Country Studies Series by the Federal Research Division. Intended for a general audience, books in the series present a description and analysis of the historical setting and the social, economic, political, and national security systems and institutions of select countries throughout the world. Most books in the series deal with a single foreign country, but a few cover several countries or a ...
