Major Learning Outcomes Social Work. Upon successful completion of the B.S.W. degree, Social Work majors will demonstrate: Competence for entry-level generalist practice, with an emphasis on rural and small town settings, gained through a curriculum including liberal arts and social work foundations, human behavior in the social environment (HBSE) practice, policy, assessment/research with individuals, families, groups, communities, and society.

Social Work - Home Page < West Virginia University

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.

Importance Cerebral palsy describes the most common physical disability in childhood and occurs in 1 in 500 live births. Historically, the diagnosis has been made between age 12 and 24 months but now can be made before 6 months' corrected age.

Early, Accurate Diagnosis and Early Intervention in Cerebral Palsy

The Paced Auditory Serial Addition Test (PASAT) [Gronwall, D., & Sampson, H. (1974). The psychological effects of concussion. Auckland, New Zealand: Auckland University Press] was developed to assess the effects of traumatic brain injury (TBI) on cognitive functioning.

A comprehensive review of the Paced Auditory Serial Addition Test

In Stage 1 you benefit from observations in our clinics. You are introduced to case management and case-based problem solving. You will also complete a child study and work with a child and their family to observe and analyse typical development.

b62m - Master of Speech and Language Sciences - Undergraduate

Hearing loss, also known as hearing impairment, is a partial or total inability to hear. A deaf person has little to no hearing. Hearing loss may occur in one or both ears. In children, hearing problems can affect the ability to learn spoken language and in adults it can create difficulties with social interaction and at work. In some people, particularly older people, hearing loss can result in loneliness. Hearing loss can be temporary or permanent.

Hearing loss - Wikipedia

Provide content that, when presented to the user, conveys essentially the same function or purpose as auditory or visual content. Although some people cannot use images, movies, sounds, applets, etc. directly, they may still use pages that include equivalent information to the visual or auditory content.
