S. Siebert et al.: Groundwater use for irrigation "a global inventory 1865 document" first the data, definitions and methods used in the development of the inventory (Sect. 2).

Groundwater use for irrigation "a global inventory

The environmental impact of paper is significant, which has led to changes in industry and behaviour at both business and personal levels. With the use of modern technology such as the printing press and the highly mechanized harvesting of wood, disposable paper became a relatively cheap commodity, which led to a high level of consumption and waste.
