Geographical background. The mountainous Japanese archipelago stretches northeast to southwest 3,000 km off the east of the Asian continent at the convergence of four tectonic plates; it has about forty active volcanoes and experiences about 1,000 earthquakes a year.

### **History of Japan - Wikipedia**

Because it is a list of "the best" Japanese books. Battle Royale is a classic and a great alternative to Hunger Games and Lord of the Flies. I was going to write how it should not be considered "the best" but as I am writing my thoughts I have started to see your point. I wouldn't put it on this list for its amateur craftsmanship and pulpy violence. But I wouldn't object if you put Battle Royale on the list.

### **Best Japanese Books (670 books) - Goodreads**

Wuthering Heights is one of the best love stories ever. I like Twilight too and I do think it deserves to be on the list. Some people seem to disagree but I've read it so many times and found something new each time. I cried when Edward proposed. I think a really good love story should make you cry.

end by benchmarking Japan against the world's best education systems and, at the other end, by a firm grounding in traditional Japanese values. The Second World War to the present day: An emphasis on merit and values after the Second World War, under American occupation, Japan made nine years of education compulsory (figure 6.1), provided financial assistance for those students who needed it, and made it possible for every high school graduate to take the college entrance examinations ...
